## Professional Summary

Motivated Computer Science graduate with hands-on experience in frontend development, Android app development, and backend API integration. Skilled in React.js, Node.js, Express.js, and Flutter. Strong collaborator with proven ability to translate UI/UX designs into responsive interfaces and build scalable, high-performance applications.

## Technical Skills

**Frontend** React.js, JavaScript (ES6+), HTML5, CSS3, Bootstrap, Tailwind CSS, MUI

**Backend** Node.js, Express.js

**Programming Languages** Java, JavaScript

**Databases** MySQL, MongoDB

**Tools & Version Control** Git, GitHub, Postman, Cursor IDE

**Other Skills** REST APIs, UI/UX, Debugging, Responsive Design

## Work Experience

### Full Stack Developer Intern

Pune, India

Aug 2023 – Jan 2024

- Developed responsive SPAs using React.js, Bootstrap, and MUI.
- Converted Figma UI mockups into pixel-perfect interfaces.
- Integrated REST APIs using Node.js and Express.js.
- Improved backend workflows and contributed to AWS-based deployment.

### Android Developer Intern

Pune, India

Mar 2023 – Jun 2023

- Built Android apps using Flutter, increasing user engagement by 40%.
- Implemented a secure QR-based attendance system with 40% faster processing.
- Enhanced UI responsiveness and app performance.

## Projects

### Hospital Management Web App — Full Stack Project

- Patient and appointment management platform built with React.js and Node.js.
- Implemented dynamic routing, secure API handling, and AWS deployment.

### Attend Guard — QR Attendance System

- Built for 10,000+ users with real-time QR scanning.
- Reduced data latency by 20% through backend optimization.

### Refer & Earn Landing Page

- Responsive web app built with React.js and Express.js.
- Integrated MySQL database using Prisma ORM.

## Education

---

### **Master of Computer Science**

*Pune, India*

### **Bachelor of Computer Science**

*Pune, India*

**CGPA: 9.16**

2021 – 2023

**CGPA: 7.78**

2018 – 2021

## Achievements

---

- Completed internships at PressBuddy and Chanakya Software Services.
- Built and deployed multiple real-world business applications.
- Recognized for strong UI design and problem-solving skills.
