Summary

Detail-oriented and highly motivated BE graduate in Computer Science and Engineering with strong knowledge in object-oriented programming and expert-level experience in Java development. Proficient in designing, developing, and deploying scalable applications with Java, Spring Boot, and related frameworks. Proficient in problem-solving, debugging, and optimization of code for performance and reliability. Passionate about learning emerging technologies: database management, RESTful APIs, and version control with tools such as Git. Would like to apply technical skills and academic knowledge for contributing to innovative project in dynamic environment of software development.

Education

Bachelors of Engineering in Computer Science – Padm.Dr.V.B.Kolte College of Engineering , Malkapur - Buldhana   2020 – 2024

- CGPA: 7.02/10

Intermediate Education – D.E.S College Datala   2018 – 2020

- Percentage: 77.69/100

Secondary School of Education – D.E.S High School Datala   2017 – 2018

- Percentage: 72/100

Projects

Student Registration System -Java, Spring Boot, Hibernate and MySQL

- Developed a student registration system to enroll in courses, track student progress, and manage student and course records

Hospital Management System - Java, Spring Boot, Hibernate and MySQL

- Designed and implemented CRUD operations using Rest APIs for appointment scheduling, patient medical records, and doctor/staff management, improving data accessibility and reducing manual record handling.

Crowd Funding using Blockchain – HTML, CSS, JavaScript and React.js

- Implemented CRUD operations and built a modern user interface that streamlined the fundraising process, making fund collection faster and more user-friendly.

Technical Skills

Programming Languages: Core Java , J2EE

Frameworks: Spring Boot, Hiberante JPA

Web Development: Html, Css, JavaScript

Databases: MySQL

Development Enviroments: Visual Studio Code, Github, Eclipse , STS , Postman

Soft Skills : Communication skills, Teamwork, Time Management

Certificates

Java Full Stack Development [Vibrant Minds Technology, Pune]

3rd Winner of National level technical event **Tech Tantra 2024**
